Hi Katie,

Please find attached a 114 Information Request for Alta Mesa in New Plymouth, Idaho. I have highlighted a couple sections where the Region 10 new OCE name should be added to the draft. I have also attached the Enforcement checklist for the sign-off package. Please add the IDEQ contact if you would like to 'cc the state. Both Bob, the R5 attorney on the matter, and I concur on this draft.

Also, I talked to Chris Williams with OECA today and gave him an update. I will continue to keep him updated moving forward.

Let me know if you need any further information or have questions.

Thanks,

Victoria Nelson
